

Designer Genes Inc. Receives Prestigious American Angus Association External CUP Lab Certification

ILIA One of Handful Recognized

Harrison, AR. – ILIA CUP Lab has been honored with the prestigious American Angus Association's Certification for accepting information from external CUP Labs. American Angus Association certification recognizes the best practices of select CUP Labs across the nation that consistently deliver the highest quality services that result in the highest levels of customer satisfaction.

The American Angus Association is the nation's largest beef registry association with over 30,000 adult and junior members. Our goal is to serve the beef cattle industry, and increase the production of consistent, high quality beef that will better satisfy consumers throughout the world.
